7th ANNUAL TOMMY MARREN MEMORIAL WEEKEND TOURNAMENT 16 - 18 years old

Aston Valley Baseball League would like to invite you to our annual "Tommy Marren Memorial Weekend Tournament." The date is Friday, May 23rd, until Monday, May 26th. This tournament is in memory of a young man that played in our league for 14 years. He suddenly passed away at the age of 21 years old with Sudden Arrhythmia Death Syndromes (SADS). He was very dedicated to the game of baseball and to our league. He was not the biggest as far as size on the team, but he had the heart for the game to make up for his size.

The proceeds from this tournament will be awarded to a graduating player from our league that best exemplifies the qualities of Tommy. This was awarded to Christopher Kerstetter last year who is now attending Penn State College.

The cost of the tournament will be \$200.00 and one dozen baseballs. Any questions please feel free to call me.

Make check payable to: AVBL Tommy Marren Scholarship
