LOCAL LEAGUE RULES

INTRODUCTION/FORWARD

This handbook is designed to be a guide for present and future members of the ASTON VALLEY BASEBALL LEAGUE.

The Philosophy, objectives, procedural statements and other information contribute to the smooth operation of the ASTON VALLEY BASEBALL LEAGUE.

No handbook could possibly provide all the answers to all the Baseball League questions, but familiarity with this manual, along with good judgment should help in making good decisions for the League.

All items in this handbook are subject to revision periodically. Ideas for improvements are encouraged at any time. The various chapters in this manual deal with all facets of our league operation. Any part of this manual shall be considered the "rules" of the ASTON VALLEY BABE RUTH program and should be adhered to accordingly.

PHILOSOPHY

The safety and the well being of young players is a primary concern of the ASTON VALLEY BABE RUTH LEAGUE. The League believes that through sound conditioning, immediate attention to injuries, development of sportsmanship, proper execution of fundamentals and proper care of equipment and fields we can accomplish this aim.

The Major objective of the ASTON VALLEY BABE RUTH LEAGUE program is to provide wholesome opportunities for the children of Aston to develop from their experiences, favorable habits and attitudes through the baseball program.

The League Executive Board and Staff in the Baseball Program serve for two reasons: first, to teach skills so that the children may improve themselves and derive more satisfaction and enjoyment of the game; second, is to teach and instill values -- values that will enable them to improve as individuals and values that they will carry with them throughout life.

REGULATIONS FOR MANAGERS/COACHES

MANAGERS RESPONSIBILITIES

1. All Managers must conduct their program in a manner that insures the safety of each player.
2. Meet with the division commissioner to set up practice schedule for the fields available.
 - A. Teener League use Sun Valley fields A & B.
 - B. Major League uses Cage field and Aston Elementary fields.
 - C. Minor uses Weir II and Vinsmith fields.
 - D. Rookie uses the Rick Owsley Field and Vinsmith field.
 - E. T-Ball uses Weir T-Ball field, Pennell field far side.
3. Select Coaching staff of maximum three (3) Coaches.
4. Select Team Parent. The Team Parent is an integral part of your team and the League as a whole. Through these volunteers over half of our league finances are generated. Also, the proper communications are made between you and your team and the League and your parents through the Team Parent.
5. Secure equipment and uniforms from Equipment Manager, to be distributed from the concession stand at a scheduled day and time to be determined by the Executive Board.
6. Upon conclusion of the League draft secure an accurate roster from player agent and contact parents of new players and contact parents of veteran players. At this time each parent should be invited to the first practice for orientation.
7. The League recommends two weeks or six (6) practices before scrimmages are scheduled. This will ensure time for proper fundamentals to be taught and familiarize Managers and Coaches with the team.
8. There is no limit to the number of scrimmage games before the regular season (as described in #7). The Manager schedules his own scrimmages with other Managers within his division.
9. The season schedule will be provided by the Player Agent to each Manager and games will be played on specified dates.

10. Responsibilities on day of game:

- A. Head Coach or acting head coach of the Home team obtains umpire money from the concession stand. Money will be located in cash box and you must sign book including date, division and team playing. This applies to all games regardless of field location. Umpire must be paid before the game begins.
 - B. Key to equipment room may be obtained from concession stand cash box and must be returned immediately. (Bases, rakes, shovels, field liners, etc.). Both teams are responsible for preparing the field for the game and should arrive one hour before game time.
 - C. In case of inclement weather and the field is not playable as determined by the appropriate League Commissioner, Player Agent, or League President (unless that Officer is involved in the game), the game will be rescheduled by the player agent. The League Official must notify the player agent that the game has been cancelled. It is essential the decision on an unplayable field be made 1/2 hour before game time so that the umpire can be notified. If the umpire shows up at game time he must be paid.
11. Managers/Coaches are responsible for their team's dugout behavior. Game excitement and cheering for their teammates is fine. General rowdy behavior and/or yelling at the opposing team members is not permitted.
12. If a player is reprimanded and/or if he/she does not play (the required innings in a game,) or is under suspension for one or more games, then a written report will be submitted within 24 hours to the appropriate Commissioner. Opposing manager is to be notified immediately before the game starts or, if during the game, immediately.
13. All scorebooks will be kept in ink, no erasing. Scorebooks will be surrendered for examination upon request from any AVBL Manager within that age division, the Commissioner of that age division or the Executive Board.
14. All players must wear a supporter and cup while playing or practicing. Managers will stress this to players.
15. League officials, Managers, Coaches, and players only are permitted in the dugout area. All spectators will stay in the bleacher area only. Only the on deck batter is allowed in the on deck circle during play.
16. A Manager can officially be listed on one team roster only.
17. Each team can officially have only one Manager and three coaches listed on their team roster. In references to freezes, all Managers must be registered with the League Secretary before opening day.

18. Every manager must attend at least six general membership meetings each year, with the January "RULES" meeting being mandatory.
19. The home team will provide one new baseball and one good baseball for the game. The home team will occupy the first base dugout area. The home-team will provide for scoreboard operation as applicable.
20. The Manager is responsible for insuring parents are available for concession stand coverage on the day of the game. If a parent does not show up the manager must find a replacement immediately. If no other parent or young adult (15 yrs. or older) is available then assign one of the team's Coaches to cover the duty.
21. Immediately upon conclusion of the game, the Manager should line his/her team up for the traditional shaking of hands.
22. Post game talks should be limited if another game is immediately following. If a Manager desires a longer amount of time he/she should remove their team and equipment from the dugout and gather the team away from the field area.
23. Both game Managers and Coaches are responsible for cleaning the dugout and field maintenance following the game. Home team Manager must return the three (3) bases to the equipment room and lock it up. On Saturdays last home game Manager of the day will do this duty.
24. At the end of your team's regular season you will collect all equipment as soon as possible. Teams participating in playoffs will collect their equipment after they have participated. Certain items are retained by the players (e.g. hats, socks).
 - A. A date and time will be determined by the Executive Board for handing in equipment at the concession stand.
 - B. Managers are responsible for all items to be returned to the Aston Valley Baseball League.
25. Sportsmanship award: Managers are to turn in the name of the player selected for this award to their Commissioner at a time determined by the League. This young person should be the player on the team who has exhibited the most positive attitude toward sportsmanship that season. He/she is not necessarily the best player on the team.

MANAGERS/COACHES CODE OF ETHICS

The Manager and Coaching staffs are the main link between the Aston Valley Baseball League and the parents. Your attitude and actions during league games and/or practices become in essence the league's attitude. What the parents see you do on the field becomes what people believe to be league philosophy of Coaching. Obviously, under certain circumstances during a game, a Manager or Coach can become frustrated. Sometimes an umpire's judgment call on a play can be upsetting but as the adult in charge we must show some restraint. The Manager/Coach attitude during games will also become the players' attitude toward the game.

The Aston Valley Baseball League was never intended to develop the intensity of a High School, College or Professional program. Intensity in a baseball game should never reach a level that detracts from the basic rules of good sportsmanship.

Only the Manager may question an umpire's ruling. The Manager shall not allow any coaches, players, or parents to question or harass an umpire. The Manager may never leave the dugout or coach's box to talk to an umpire, without first receiving the umpire's permission.

Any Manager, Coach, or Player who, during a discussion/argument, causes physical contact with an umpire, whether intentional or not, will be suspended from AVBL. The length of the suspension (up to and including lifetime), will be decided by the AVBL Executive Board, based on the facts surrounding the incident. The AVBL Executive Board must meet within 72 hours of the incident to hear the facts and rule on the suspension.

CODE OF CONDUCT

All umpires have been instructed by the Executive Board to strictly adhere to the following rules and enforcement procedures:

1. Any player or Coach observed using offensive or profane language will be immediately ejected from the game. Any player observed "intentionally" throwing equipment (particularly a bat), should be ejected from the game.
2. The calling of balls and strikes is judgmental at best. Any attempt of the Manager/Coach to harass or coerce the umpire shall result in one warning. If the harassment continues after warning the Manager/Coach will be ejected from the game.
3. Other judgment calls excluding rules violations are to be treated as a given in above rule #2.

4. Prudent judgment concerning injuries is expected from all Managers/Coaches. The ultimate outcome of a game related injury is subject to league guidelines.
5. Perceived violations of the rules of Babe Ruth Baseball or AVBL Local League rules should result in an immediate protest with the umpire. The game should not be delayed by verbal protests by Managers and or Coaches.
6. It is essential that every Manager/Coach of the Aston Valley Baseball League encourage and promote the Ideals of Fair Play and Good Sportsmanship to players and parents of this organization.
 - A. Manager of opposing teams shall maintain control of their respective field situations at all times. Managers shall not allow parents, players or Coaches to disrupt play or intimidate any other players, umpires, or any other member of the opposing team. Umpires should, when such an incident arises, take steps to continue the game without further interruption. Should the situation continue and when all reasonable methods of control have failed, he may call the game a forfeit.
 - B. Managers will within 24 hours, notify the Player Agent or the President of the Aston Valley Baseball League of the circumstances surrounding the incident. The game shall be considered no game for both teams until final disposition is made by the Executive Board.
 - C. Any Board Officer who observes such an incident must do what he can to resolve this problem firsthand. A game may be stopped only when the umpire feels that the situation is beyond reason and that conditions are detrimental to the game and youth of this league. Team Managers should handle all conversations or disputes on the playing field and be a reasonable distance from players and fans so they are unable to hear what is taking place.
7. If a Manager/Coach/Player is ejected from a game, he/she must leave the playing field including dugout/on deck area. The closest area an ejected Manager/Coach can be is in the parking area. An ejection results in an immediate suspension for the next game. Two ejections during the season will result in that Managers/Coaches/Player removal from the position. The Manager/Coach may reapply next season and his status will be reviewed by the Board and voted on by the Board for approval. A Player will be suspended for the remainder of the year from the AVBL. Second offenses may be appealed to the Executive Board within 24 hours of the incident.
8. No smoking is permitted on the playing field including dugout, on deck area or batting cages.

PLAYERS REGULATIONS

Managers/Coaches must stress the following rules concerning their players:

1. If in the course of a game, in particular late innings, a player is removed from the game by the umpire for unsportsmanlike behavior or a player is injured etc., and all subs have been used, the opposing Manager may re-enter a substitute. First choice would be the player that was in the spot in the batting order earlier, if no player was there earlier, then the Manager may re-enter the sub of his choice. The Manager must report the incident to the President of the league and submit a written report to the league Secretary within 24 hours. The rules committee chairman will be submitted a written report.
2. Games are to be played as long as the umpire feels it is not too dark for child safety or general rule #3 is not imposed.
3. All players must be in complete uniform, including shirts tucked in, and wear all mandatory equipment. Umpires will enforce this rule. Any player not in compliance will be ineligible to play.

1. All players presently on an Aston Valley Baseball League team are frozen on the roster and will not be a part of the draft unless they are graduating to the next age group.
2. All players not rostered must try-out for league draft. Common try-outs will be held according to age groups. Players unable to attend try-outs for valid reasons, such as illness or injury will notify a league official prior to the try-outs and then submit in writing to the Executive Board, justification of their absence. TEAM PARENT GUIDELINES

- 1. PRACTICES AND CANCELLED GAMES.** Make sure you have a list of names and phone numbers of all children on your team. You may be asked to call them for practice, rainouts, or cancelled games. It is best to talk with the parents whenever possible. Messages left with children do not always get relayed to the parents.
- 2. TEAM PICTURES.** Remind the players that they should not wear their uniforms until picture day. Have the children arrive 15 minutes before picture time, have a list of all players with you and keep players together.
- 3. CONCESSION STAND DUTY.** It is your job to schedule parents to work the stand. Please make sure you check before your game to see if your parent is there. Inform the parent to sign in when he/she arrives so their team gets credit. Make sure that when there is a make-up game you know what parent is scheduled for the stand and let them know.
- 4. FIELD MAINTENANCE DUTY.** It is your job to schedule parents to work on the

playing fields. This work is done every Sunday during the season at 12:00 noon. Normally the work can be accomplished in less than two (2) hours. It is important that someone represents the team each week.

ALL STAR TOURNAMENT TRAVEL TEAMS

Aston Valley provides teams (after the regular season) to participate in tournaments in any of the following age categories as directed by the Executive Board:

TEENERS: 15 YR. OLD TEAM, 14 YR. OLD TEAM, 13 YEAR OLD TEAM

MAJORS: 12 YR. OLD TEAM, 11 YR. OLD TEAM

The 14-15 year, 13 year, 11-12 year, and 10 year old teams will participate in the annual Babe Ruth National Tournament, and other tournaments if possible locally, with approval of the Executive Board. This would depend on how far a team goes in the National Tournament. Our commitment is to the Babe Ruth Tournament first. The 9-10 year old and 7-8 year old teams may play in two (2) local tournaments at the discretion of and with the approval of the Executive Board.

Voting for the tournament teams:

1. Each Manager will submit nominations from his team for tournament play no later than the third Sunday in May.
2. He will nominate at least three (3) and no more than five (5) players for entry onto a ballot. Players should be listed in order of consideration having the best player listed first and so on. The nominated player's two strongest positions will also be provided for listing on the ballot.
3. The ballot will contain a listing of all nominated players. Each manager of the associated age group will select nine (9) players from the ballot with the option of one write-in vote. Any ballot with less than 9 votes will be voided. The top six vote getters will be placed on the team with all tied vote getters up to the 9th position also being placed on the team. The tournament team Manager will have the option to select the final three (3) players for the remaining slots. If no ties occur in the voting, the first six players will be placed on the team and the remaining will be selected by the tournament team manager. Managers can not vote for players on their teams.
4. Managers of Tournament teams will be selected by the appropriate League Commissioner. Selections will be based on Tournament coaching experience. Regular season won/loss record may be considered. Selections are subject to Executive Board approval.

5. Selecting Coaches. All Managers, in order of current regular season standings, should be considered to Coach Tournament teams first before regular season Coaches will be permitted to coach tournament team. Coaches for post-season teams will not be considered or nominated until the player roster is set. Selection will be subject to Executive Board approval.
6. To be eligible for tournament teams, each parent and player must sign a commitment letter which will include: dates of possible play, and whether there would be a conflict with another sport, extended vacation, or camp of any kind. Violation of this commitment, without approval of the Executive Board, will result in a one year suspension of that player from tournament play.
7. All Star Tournament Teams will carry 12 active players and three alternates. Alternates will be rostered but not notified of their selection until or unless they are needed. Once notified, Alternates will remain on the tournament team until the end of tournament play that year.
